

FOAM CLEANER

1 – DESCRIPTION

Foam Cleaner removes fresh PU foam and cleans the PU foam gun after the application. Cleans surfaces, clothes, window&door frames and prevents the foam cure in the foam gun.

2 – PROPERTIES

- Designed specially for cleaning the foam gun.
- Cleaner has a spray valve for removing the foam from the gun adapter.
- It can be used in all positions.
- Propellant gas is not harmful to the ozone layer.

3 - INSTRUCTIONS

Screw the can tightly onto the gun and spray through the gun. Clean the gun; when the period between two applications is more than a week, after removing the can from the gun without replacing it with a new can. Can also be used through the attached spray nozzle.
